SUMMER 2023

WAX ON WAX OFF!

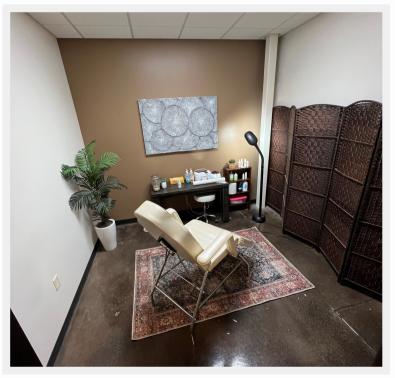

Step in to our cozy Esthetics Wax Room. One of our educators, Katie, recently overhauled the drab room and turned it into a cozy space for our clients & students.

We love that "above and beyond" attitude our educators display!

What waxing service are you booking?

2023 HIGH SCHOOL SENIOR DAY

The SHI Experience allowed current students to bring in a friend to spend the day with their fellow students and educators! Those that attended experienced our Morning Meeting activity of rock painting and spreading kindness across the area. They moved to the classroom in the afternoon and enjoyed a complimentary service with their host. To top it all off they were able to clap out one of our graduates with us!
